The Aston Martin Vantage is a series of hand-built sports cars from the British automotive manufacturer. Aston Martin has previously used the vantage name on high-performance variants of their existing GT models notably on the Virage-based car of the 1990s. The modern car in contrast is the leanest and most agile car in Aston’s lineup. The Aston Martin Vantage GT2 is the most powerful racing variant of the Aston Martin V8 Vantage family. The Vantage GT2 is based on the V8 engined Aston Martin Vantage road car but is designed to run on both standard race fuel or e85 bioethanol.
